

# Current US Laws Affecting Asian-Americans in Science & Technology

Sunday, 03.20.2016 | 1-2:30 PM

**New Location** Double Tree by Hilton Los Angeles-Rosemead | 888 Montebello Blvd. Rosemead, CA 91770

*Jointly presented by*

Alumni Association of Southern California

## Keynote Speaker

**Brian Sun, Esq.**

Partner-in-Charge, Jones Day, Los Angeles  
Member, Committee of 100

## Special Guest

**Ms. Sherry Chen**

A scientist and former employee at the National Weather Service

## Closing Remark

**The Honorable Judy Chu**

U.S. Representative for California's 27<sup>th</sup> Congressional District

This educational seminar will explore international trade secrets and export control laws, such as the U.S. Economic Espionage Act of 1996, and how they have been used to prosecute scientists, including those of Asian descent. The seminar will discuss recent high profile cases involving Asian Pacific Americans and the consequences of these cases. It will provide suggestions and advice on how scientists can ensure compliance with applicable laws.
